THIE ELLYN, OFF WITHERINGTON ROAD, DOUGLAS
NEWSLETTER MAY 2015

Dear Members,

Our Easter Exhibition this year was once again kindly opened by His Excellency, Mr. Adam Wood and this year preview was enjoyed by all those who attended. Overall, the exhibition was a great success although admissions were down on last year.

I would like to thank Catherine James for kindly donating her painting of GlenFaba Mill this year, which raised £890. I would also like to thank 1dental Clinic for their generous sponsorship of £500 which helps towards the overall cost of the Exhibition

The Easter Exhibition would not be able to run year after year without those people who volunteer their spare time with a whole range of tasks from transporting boards, setting up the exhibition, inputting data into the computer, and manning the exhibition on a daily basis and without these people we would not be able to run a successful and professional exhibition

But I'm sorry to say this year we did struggle to man the exhibition at times so can I urge member especial the ones that exhibit please try and do at least on session.

Not all these helpers are members: some are relatives, husbands, wives and friends of members, so big thank to you all on behalf of the committee.
